RE: Case No. 2009-00069
Filing Deficiencies

This letter is in regards to the filing deficiencies for the tap fee increase.

1. A copy of the letter that we mailed to the Attorney General is included.
2. The material had not taken the price increase at the time of the last rate increase. Big Sandy Water does not anticipate another rate increase for another year or more.
3. This increase will not affect existing customers. It will only affect new customers that purchases a tap after the new rate goes into effect.
4. The additional revenue does not exceed 5 percent of the miscellaneous and non-recurring charges.

If you need any additional information, please let me know.

Sincerely,

James Blanton
Manager

Mr. Conway:

Big Sandy Water District would like to increase the tap-on fees. Due to rising cost metals and PVC, the tap fees have doubled. Included is an itemized statement showing what it cost Big Sandy Water to install a new service. If you have any questions, you can contact me at the water office at 606-928-2075.

Sincerely,

James Blanton
